Comments of the University

It is pointed out that though the Comptroller and Auditor General has been auditing the accounts of the University since its inception (1966), the issue of Bank Reconciliation was pointed out by the CAG for the first time in 2010-11. Since then the University has made out all efforts to reconcile the outstanding amounts and in some cases the amount outstanding at present is negligible.

Every effort is being made to pursue the matter with the Bank so that debits could be traced for clearing the remaining un-reconciled amount as well as realization of deposits at the earliest.

The position of un-reconciled amount pointed out by Audit for the first time during 2010-11 for Si.No. 1-6, 9 & for Si.No. 7-8 during 2011-12 and the current position (in bracket) of respective accounts are given below:

It is evident from the above that the University is making vigorous efforts to clear up the un-reconciled amounts since it was first pointed out by the audit and in many of the cases it is already NIL. The University will continue its efforts to clear all un-reconciled amounts.

A.2 As per the format of accounts prescribed by the Ministry of Human Resource Development agency-wise details of sponsored projects, sponsored fellowships and scholarships is to be given under sub-schedules but the same has not been done by JNU.

Comments of the University

The Letter from the Ministry of HRD was received in the month of April 2015 suggesting preparation of the Annual Accounts for the Financial Year 2014-15 in the new format and submission of the accounts as per schedule by 30th June 2015.

The data entry for the Sponsored Projects, Sponsored Fellowship and Scholarships from April 2014 to March 2015 was almost complete on the basis of the old formats before the receipt of the above mentioned letter from the Ministry. This portion could not be revised due to shortage of time and the need to adhere to the time limit prescribed by the C&AG and Ministry of HRD.

In a very short period of time, the Annual Accounts for the financial year 2014-15 were prepared in the new format except the sub-schedule of agency wise details of sponsored projects, sponsored fellowships and scholarships which does not have any effect on the Balance Sheet or Income & Expenditure A/c. The University submitted accounts within the scheduled time on 30th June 2015 to the Office of the Director General of Audit (Central Expenditure).

However, the agency wise details of Sponsored Projects Sponsored Fellowships and Scholarships for the year 2014-15 are enclosed (Annexure VI).

B. Grants-in-aid

During the year 2014-15, the University received grants of Rs. 337.48 crore (plan: Rs.128.88 crore and Non-Plan: Rs. 208.60 crore) and had an opening balance of Rs. 91.18 crore (plan: Rs. 62.40 crore and Non-Plan: Rs. 28.78 crore). Out of the Grants-in-aid of Rs. 337.48 crore received during the year, Rs. 88.08 crore (plan: Rs. 44.70 crore and Non-Plan: Rs.43.38 crore) was received in March 2015. The University utilized Rs. 321.36 crore (plan: Rs.83.98 crore and Non Plan: Rs. 237.38 crore) and Plan grant of Rs. 6.84 lakh was refunded during the year leaving a closing balance of plan grant of Rs. 107.23 crore.

Comments of the University

The figures mentioned by Audit are factual representation of Plan/Non-Plan grants and agree with the Schedule 8 – Grants/Subsidies.

The Revenue Expenditure of Rs. 321.36 Crores (Plan Rs.83.98 and Non-Plan Rs.237.38crore) includes the provision made for Retirement Benefits Rs.138.39 Crore and Depreciation Rs.18.16 Crore, on Fixed Assets for the year, for which there is no actual cash outgo.

B. **Management letter:** Deficiencies which have not been included in the Audit Report have been brought to the notice of the Vice-Chancellor, JNU through a management letter issued separately for remedial/ corrective action.

Comments of the University

The observations conveyed in a separate management letter to the Vice-Chancellor, JNU have been separately replied to.
