Fax: 91-11-267417

Date: 29.01.2018

Two Research Scientist positions and one Laboratory Technician position are available in DBT sponsored project on "Identification of novel biomarkers in active and latent TB in conjunction with HIV co-infection".

Qualifications for Research Scientist:

Education: - MD, PhD, or MD/PhD in microbiology/Infectious disease, host Pathogen interaction.

Post MD/PhD experience in the field of TB is preferable.

Desirable:

- i) Proficiency in Mycobacterium Culture and Sensitivity in conventional as well as advanced diagnostics methods, Human sample handling with experience of clinical/pathological laboratory studies, Experience in Tuberculosis treatment, field monitoring and the evaluation process including Drug resistance Tuberculosis like MDR TB and XDR TB.
- ii) Experience in molecular Biology and BSL3 Laboratory.

Qualifications for Laboratory Technician:

Education: B.Sc.

Desirable: Experience of laboratory record keeping along with data computing are desirable. Any certificate course in computer is preferable.

Fellowship: - According to DBT/DST rules.

Tenure: The position is purely temporary, renewable after one year and will continue until November 2020 (the end of project) based on satisfactory performance.

Application Deadline: Application will be accepted till **04.02.2018**

The hard copy of the applications along with the copy of bio data and prior publication should reach to Prof. Gobardhan Das, Rm-3F (G), Special Center for Molecular Medicine, Jawaharlal Nehru University, New Delhi-110067, INDIA.
