**Subject: Undertaking with respect to Invention to be filed under JNU's Fast Track Model**

With respect to the invention made by *me/us, I/we* hereby submit to you that the inventions and claims made by *me/us* are true and devoid of any prior literature or scientific preceding. *I/we* would like to file an *Indian / Foreign* patent application for the said invention. In this connection *I / we* would like to declare the following facts.

***Title of the Invention:***

The invention made by *me/us* is novel and the said work (*art/literary/scientific/linguistic*) is not published, and neither made available to the public or available in the public domain *in toto* but a part may have been *presented/published* to a limited audience for *scholarly review/presentation* which is less than a year old.

- i. *I/We* would like to file an *Indian/foreign* patent by taking legal support from a JNU empanelled attorney.
- ii. Due to the urgency and the availability of funds at *my/our* disposal from (personal resources / external funding agency) *I/we* would like to proceed for the filing of the patent without taking any financial *assistance/support* from JNU.
- iii. *I/We* fully understand and acknowledge that JNU will be the FIRST APPLICANT /ASSIGNEE to the said invention irrespective of whether JNU supports financially or otherwise.
- iv. The University holds the complete rights of this *invention/patent* and may decide to commercialise this at its own terms if JNU decides to do so now or later. In such cases the revenue generated from the said commercialisation will follow the extant of the appropriate JNU regulations.
- v. *I/We* undertake to keep you posted of the details regarding patent filing and costs involved pertaining to the above-mentioned invention, in future.
- vi. *I / We* give complete and unconditional consent for assignment of rights to JNU.

In view of the above facts, *I / we* kindly request you to permit us to file the patent application using *my / our* own funding sources.

Yours faithfully
