A Note of Caution

Several pamphlets have come to the notice of the Administration calling for "Satyagrah", "Marches" and asking the students to assemble or pass through legally prohibited areas in the campus, including the Administrative building on 4th November, 2019.

This is to caution those, who may be considering joining the protests that such activities in the prohibited areas will be clear contempt of the decision of the Hon'ble Delhi High Court.

Protesters are hereby cautioned not to do so and are alerted that some student leaders have already faced contempt charges and were convicted by the Hon'ble High Court as per its decision dated 30th July, 2018.

This is to re-iterate that peaceful protests are allowed in Sabarmati Lawn which is designated place for this type of activities as per the University rules.
