

**JAWAHARLAL NEHRU UNIVERSITY**

**NEW DELHI**

**December 13, 2018**

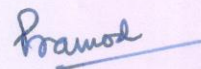

**CIRCULAR**

This is for information of all the students of University that one of the reading rooms in Dr. B.R. Ambedkar Central Library which was provided for the students to use only their personal reading materials has been temporarily closed on the ground of safety and security. However, two other similar reading rooms which have been provided for use of personal reading materials remain open. This measure was taken as per the decision taken by the Executive Council of the University, which is as follows:

*"The Council was informed that at present one reading room in the Central Library has a very narrow entry/exit door where not more than one person can enter/exit at a time. This needs to be widened to provide for adequate space to avoid any mishappenings in case of fire in the reading hall.*

*The Council, after deliberations, decided that the said reading room may be closed temporarily till and alternative arrangement is made."*

Necessary measures are in the process of being taken to improve the safety and security of the said reading room. All the students are requested to use the other available facilities in the Library as per the rules and regulations of the Library.
