## Circular

03 December 2019

This is in continuation of the earlier circulars issued on 17<sup>th</sup>, 28<sup>th</sup> and 29<sup>th</sup> November 2019 with regard to fulfilling all the academic requirements by the students to be able to register in the next semester.

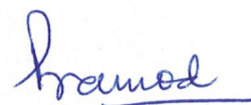

This is to caution the students about the consequences of not completing academic assignments and tests, including end-semester examinations, as per the relevant academic ordinances and rules.

The end-semester examinations, according to the academic calendar, begin from 12<sup>th</sup> of December 2019. Students not appearing in the examinations will lose their studentship as per JNU academic ordinances. Such students will be ineligible to register in the next semester and hence will cease to be the bona fide students of the University.

This is also to remind the research scholars that the M. Phil students who fail to secure a CGPA of 5.00 on completion of course work at the end of 2<sup>nd</sup> semester will find their names automatically removed from the roll list of the University. In addition, the last date for submission of M.Phil. dissertation/PhD thesis in the Schools/Centres and forwarding the same to Evaluation Branch is 31<sup>st</sup> December 2019 for the Monsoon Semester.

This needs to be noted that the University academic calendar has been approved by the the Academic Council and the Executive Council and is required to be followed strictly.

The JNU Administration, therefore, makes it clear that all the students must complete all academic requirements, including sitting for the end-semester examinations and submitting their respective dissertations/thesis. Failing which the names of such students will be removed from the JNU roll list and they will cease to be the students of JNU.
