File.No. Eval.II/1(i)/End-Sem/2019

19 December 2019

**Circular**

This is to inform that an alternative mode of conducting the end-semester examinations in the University has become imperative in view of persistent student strike, calls for boycotting the examinations and physical prevention of holding of such examinations by the agitating students by closing down the school/centre buildings.

In exercise of the powers vested on him, under Clause 4 (5) of the Act and Statutes, the Vice-Chancellor has consented to adoption of alternate modes of examinations, as recommended by the Deans of Schools / Chairpersons of the Special Centres to deal with the extraordinary situation.

The end-semester examinations thus shall be conducted under the overall guidelines/directions of the Deans of the schools/Chairpersons of the Special Centres.

This is issued as per the approval of the Competent Authority.
