Top officials of JNU Administration on 12.04.18 invited the office bearers of JNU Students Union for a meeting and discussed their concerns mostly related to admission, attendance, gender issues, reservation of seats and declaration of JNU EE results. All their queries were clarified and concerns were addressed by the officials. The attendance rule of the University is mandatory as per the UGC notifications of 2003, UGC fellowship conditions stipulated in the appropriate claim forms, relevant UGC guidelines as well as the statutory provisions of JNU Statute.

It was also clarified that the reservation policy, as per the Constitution of India and related rules framed by the Parliament, are followed in the admissions processes in the university. It was highlighted that admission process to select candidates starting from setting of question papers till viva voce are done by various programmes/centres/schools in the university. The Admission Branch has no role in the evaluation of candidates.

Students also expressed concern related to certain reported sexual harassment cases in JNU campus. It was clarified that the University has 'zero tolerance' for any form of sexual harassment and that an Internal Complaints Committee (ICC) exists to take up issues related to sexual harassment. The students were advised to refer all the matters related to sexual harassment to the ICC for timely disposal of cases.
